

Mrs H Hollis - English Governor & Curriculum Committee

My name is Helen Hollis and I joined the school as a co-opted governor in November 2021. I attended Padnell Junior School in the late 1960s and my Dad was part of the parent building team for the swimming pool !! I am partially retired from the Civil Service where I have worked for the last 20+ years. I have one daughter who lives in London. I have been involved in the Girl Guide Association for 25 years; firstly as a Brownie Guider and later also as Division Commissioner for Horndean & Cowplain. I am on the school's Curriculum & Standards sub committee and am the note taker for meetings with the local authority.
