

Mr D Rowlinson - Finance & Resources Committee/Maths Governor

Originally from the north-east of England my first job was as a research scientist in the packaging industry. I moved from there into teaching and spent the last 16 years of my working life as Headteacher of Cowplain Community School.

On retirement I joined the governing body of Padnell Junior School. I was the Chair of Governors for six years but have recently stepped down. In my role as a governor, I am responsible for monitoring Maths, Science and PSHE.
